The focus of the workshops was making our sport more inclusive, how we can accommodate the differences of people and ideas to promote diversity awareness.

## Neurodiverse Camp

Hockey New Brunswick partnered with the Autism Resource Centre to offer a neurodiverse hockey program in Dieppe. The program was free of charge and open to all neurodiverse youth between the ages of 5 to 17, a total of 30 participants took part in the Camp that included 10 on-ice sessions.

## NHL / NHLPA First Shift

The NHL/NHLPA First Shift program is designed to ensure a positive experience for new-to-hockey families by offering a low-cost entry program to hockey. This season, programs were hosted in:

Fredericton

Central Female

Moncton

Kennebecasis Valley

Restigouche North

Fundy Female

In addition to the above programs, a Para Hockey First Shift program was hosted for the first time in New Brunswick. The participants attended free of charge and received a full set of hockey equipment, sled rental and twelve on-ice sessions.

## March Break Female Skills Camps

Female Skills Development Camps were held during March Break in Edmundston, Florenceville and Miramichi.

The primary focus of the camps was centred around on-ice fundamental skills, with off-ice time scheduled for life skill enhancement in areas such as respect, fitness, and teamwork. Off-ice fitness sessions are included involving games with teamwork and proper stretching. Each of the camps included two on-ice sessions and two off-ice sessions.

## Para Hockey Cup

In April, Hockey Canada announced that the town of Quispamsis, N.B., will host the 2023 Para Hockey Cup, Dec. 3-9. It will be the fourth time the town has hosted a Hockey Canada event.

## Hockey Canada Assist Fund

The Hockey Canada Foundation Assist Fund was created in response to the many families experiencing financial challenges. The goal of the Fund is to help Canadian youth access hockey and play the game they love.

The Assist Fund provides up to \$500 per player in registration fee subsidies to approved applicants who are registered with a Hockey Canada-sanctioned association.

195 HNB members received funding from the Assist Fund this season, totalling \$86,462 provided to HNB members.

## HNB Fundraiser

The HNB fundraiser is aimed toward keeping the cost of participation in amateur hockey to a minimum, while providing an opportunity for minor hockey associations, teams, and athletes to raise money for their groups. The program subsidizes registration fees and provides head-to-toe equipment.
