Hockey New Brunswick Annual General Meeting – postponement

Hockey New Brunswick (HNB) has postponed the Annual General Meeting that was scheduled for June 5th-7th in Miramichi, NB due to the ongoing coronavirus (COVID-19) pandemic.

“As the COVID-19 pandemic continues to evolve, we have made the difficult, yet necessary, decision to postpone our Annual General Meeting to ensure the safety of the HNB membership as well as the general public”, said Todd Pye, HNB President.

Hockey New Brunswick does intend to host the Annual General Meeting when the Department of Public Health advises that it’s safe to do so. Appropriate notice will be provided to the HNB membership once a new date and location has been determined.

Hockey New Brunswick wishes to thank, in advance, all involved with HNB programs and activities for their cooperation as we navigate through this unprecedented and difficult situation.

All the best to you and your families.

Todd Pye
President
Hockey New Brunswick
