

NB MINOR HOCKEY COUNCIL

MINIMUM STANDARDS FOR DISCIPLINE

2018-2019 SEASON

Amended June 2018

1. **OBJECTIVES**

To establish a disciplinary protocol as per the HNB/NBMHC Code of Ethics and Fair Play that will clearly establish the role and responsibilities of all participants in the fair application of a disciplinary policy for infractions committed as per the Hockey Canada Official Playing Rules and the NBMHC Code of Conduct and disciplinary policies.

MISSION STATEMENT OF HNB

Leader in Developing Positive Lifestyles, Inclusive Communities and Opportunities through Hockey.

VISION OF HNB

A Better New Brunswick through Hockey.

CODE OF FAIR PLAY

Refer to the HNB Fair Play Policy
[Hockey New Brunswick - Fair Play Code](#)

The NBMHC Executive Committee shall administer all infractions under the code of fair play for non-game or non-ice conduct arising from a game.

2. **CODE OF ETHICS Authority: HNB Constitution By-Law 15**

All participants and members of HNB sanctioned programs and activities shall use the Code of Ethics as the guiding principle for their conduct and in discharging their responsibilities under the mandate of HNB. Infractions under the Code of Ethics shall be administered as per HNB By-Law 15. The District Directors, the NBMHC Chair or the President of Hockey New Brunswick as deemed necessary, shall administer infractions to the Code for activities under the NBMHC.

3. **PRINCIPLES**

The code of discipline should emanate from the Code of Fair Play philosophy and should be developed and applied in a fair, timely, and consistent manner.

As such, disciplinary decisions should be a constructive tool in modifying the participants' behavior and not be viewed as solely as a punishment for their action. For discipline to be effective, the imposition of any suspension must be based on available facts.

The on-ice officials have a responsibility to impose penalties as per the Hockey Canada Official Playing Rules. In a case of serious infractions, the report should disclose the necessary information for the reader to form an opinion as to the mitigating factors involved in the penalty. The HNB Game Incident Report information surrounding the infraction should be clear, concise, and objective and provide sufficient information for the reader to form an opinion of the issues related to the incident. All officials need to be properly informed and trained, free from any form of bias and held accountable for their decisions.

The person who has the responsibility to impose a suspension as per the standards should be able to inquire from other sources about the infraction. In serious cases, the Disciplinary Committee, formed at the discretion of the governing body, should be able to request a written report from the teams' officials, all on-ice officials, and other credible witnesses.

4. **RESPONSIBILITIES**

The HNB Suspension Coordinator and Bantam AAA and Midget AAA League Presidents shall use the Minimum Standards for Discipline in the administration of discipline within New Brunswick. The masculine gender is used without prejudice to facilitate reading.

NBMHC SUSPENSION CASEBOOK

The purpose of this Casebook is to provide detailed examples and explanations for the application of Suspensions. This casebook is to provide additional documentation and education to our membership. We highly recommend that coaches and managers keep a copy of this document and become familiar with it, so as to better work within the rules and regulations of hockey in New Brunswick.

SUSPENSIONS

The following is a Minimum Standards of Discipline (MSD) for the suspensions of team members. Leagues may extend the basic suspension(s), however they shall not reduce the New Brunswick Minor Council Minimum Standards of Discipline.

Example:

1. The suspension for a Match Penalty for kicking (Rule 6.1 C) is a minimum of 3 games. A league may choose to make the suspension more severe by choosing any number of games over 3; however, they cannot reduce the suspension to less than 3 games.
2. The minimum suspension for a fight and a Game Misconduct in the last 10 minutes of a game, is the next scheduled league, tournament, exhibition or provincial playoff game. A league may impose additional games for the actual fight or accumulation of fighting majors.

These MSD are to be applied to hockey played in Minor. The game, in which any penalties assessed fall under NBMHC Minimum Standards of Discipline, shall not be counted in the length of the suspension.

Example:

1. A player receives a 2 game suspension for a Gross Misconduct (Rule 9.2 F) they received in the first period of a game. The game he received the Gross Misconduct in does not count in the length of the suspension; they must sit their next 2 scheduled league, tournament, provincial playoff or previously scheduled exhibition games.

It is the responsibility of each team manager and/or coach to ensure team member(s) sit out their appropriate suspension. When in doubt as to the relevant suspensions, do not play the suspended player until a decision is rendered or contact the appropriate league division director. Leagues often apply additional games for repeat offenses.

Example:

1. If a player is removed from a game but the offence is not written down on the game sheet, it is the responsibility of the team manager and/or the coach to discover what the offence was that removed the player from the game. If it was for an offence that calls for a suspension, ensure the player sits out the minimum number of games as outlined in the NBMHC Minimum Standard of Discipline guideline and make every effort possible to contact the League Division Director to find out the exact length of suspension.
2. Each team manager and/or coach cannot assume that if they do not hear from the league or regarding a suspension, that the suspension of a player wasn't warranted. Again it is the team manager and/or coach's responsibility to discover the suspension and ensure the player sits out the appropriate length of games.
3. The District Director has the option to impose a time limit on suspensions in special circumstances. For example, a player receives a Match Penalty for Checking from Behind and the player who was hit sustains an injury that prohibits him from playing the game for 2

months. The District Director has the option of simply applying a specific number of “games” suspension or a time suspension (i.e.: 2 months).

The following MSD will be applied to all suspensions that involve a length of time.

1. A team official receives a 1 year suspension for a Match Penalty (Rule 9.6 B) –Example: Physical Abuse of Officials on February 1, 2018. They will be suspended until January 31, 2019.

Application of Suspensions from the Minimum Standards of Discipline

- a. Suspensions by HNB if any registered referee, player, coach or team official may include a suspension that will not allow such suspended person to participate in the game of hockey in any capacity. The following MSD apply;
- i) The suspensions from all aspects of hockey would apply to all suspensions issued for breach of HNB By-Laws or Regulations, as well as all suspensions issued under Hockey Canada/HNB Playing Rule 2.2 C, 9.6 C.

Example: If a player has received a one year suspension for a 9.6 C infraction on December 15, **2018**, he would be suspended until December 14, **2019**. He would be

eligible to practice with his team for the remainder of the **2018-2019** season, unless otherwise instructed, and be eligible to try out for a team in the fall of **2019**, however he would not be able to play in any type of game or be on the player's bench in any type of capacity until his suspension is served.

- ii) All persons receiving a suspension under the jurisdiction of Hockey Canada, HNB or its member Branches shall be deemed ineligible from participating at any level of hockey in any competition under the jurisdiction of Hockey New Brunswick until the suspension has been served or length of suspension has elapsed from within the league and/or Council in which it was given.

Example: If a team official or player received a suspension during a game they are unable to officiate any type of game until his suspension is served.

- b. While a team official is serving his suspension, he cannot coach league, exhibition or tournament games. The team official cannot be present in his/her team's dressing room prior to during or following the game(s) they are suspended from or near the player's bench.

Example:

A Minor Hockey Coach receives a 1 game suspension. While serving that suspension the coach cannot enter his teams dressing room prior, during or following the game he is suspended from. If he does, he can be reported to the District Director for further disciplinary action. The coach also cannot have any contact with his team's bench or team officials on the bench while serving the suspension. If they are using hand signals; verbal signals; walkie-talkies; cell phones; text messaging; or any communicative device or action in any fashion with the bench or dressing room, they can be reported to the District Director for further disciplinary action.

- c. A suspended player cannot be present on the player's bench.
- d. A player/team official is suspended from all hockey until the suspension is served with the team where the infraction occurred (registered or affiliate team). If the team where the infraction occurred has played its last game then the suspension may be completed with the other team. The player suspension must be listed on game sheet. The official player/team official shall not be included as one of the maximum number of players.

Example:

- i) A Bantam player receives a match penalty and a 3 game suspension while playing with his Bantam team. He cannot play with the Midget team he is affiliated with until he has served the 3 game suspension.
- ii) A Bantam player receives a match penalty and 3 games suspension while playing with the Midget team he is affiliated with. He cannot play any games with either his Bantam team or the Midget team until he serves the 3 game suspension with the Midgets. It is the Midget team's games that count against the suspension, not the Bantam team's games as he was playing with the Midgets at the time of the infraction
- iii) A Midget player playing as an affiliate with a junior team and receives a fighting major in the last ten minutes of the Junior A game. He is not suspended from the next game as the game Misconduct in the last 10 minutes of Regulation does not apply in Junior Hockey which is what Division he was playing with at the time.
- iv) A Pee wee player receives a 1 game suspension from an infraction during the last game of the season. The Bantam team he is affiliated with has a season ending tournament that

he intended on playing in. He must serve the suspension during the Bantam team's first game of the tournament.

- e. Suspensions may only be served in regular scheduled league games, HNB playoff games or league playoff games, and exhibition and sanctioned tournaments where entry or scheduling is made prior to suspension.

Example:

- i) A Peewee player receives a 3 game suspension from an infraction in a game held on Sunday afternoon. The team does not have any scheduled games for 10 days and therefore the Manager schedules an exhibition game for the following weekend. The suspended player cannot participate in the exhibition game and the game will not count against the suspension as the exhibition game was not scheduled before the infraction took place.
 - ii) If in the above example, the team had entered a tournament prior to the infraction the first 3 games of the tournament will count toward the player's suspension.
- f. Suspensions for violations of Hockey Canada/HNB rules and regulations must be served in the next game or games the player/team official participates in.
