Directive

To: All Zone Directors, Minor RICs and all NBHOA officials.

Re: 10 min Misconducts in ALL hockey (Minor, Senior, AAA levels and High School.

Please note that officials are **NOT** to submit GIRs for 10min Misconducts, regardless of the time in the game it was called. All leagues have agreed to track and monitor the Misconducts off the game sheets. This will avoid unnecessary suspensions due to an issue in the minimum standards guidelines that we are working on resolving. We will not be using 4.5(b) as HNB and NBIAA have agreed to this.

Should a player be issued a Game Misconduct for their 2nd Misconduct, note that in the GIR. Make sure we quote the right rule reference for the Game Misconduct. Example, 9.2(?) and not 4.5(c).

Be sure that we are diligent in submitting GIRs for Game Misconducts, Gross Misconducts and Matches in a timely fashion. This directive brings all leagues and levels in line with each other.

Thanks
