New Brunswick Hockey Officials Association

November 24, 2016

Directive

To: All Zone Directors, Minor RICs and all NBHOA officials.

Re: Changes for NBIAA High School Hockey

Effective immediately, all high school players who swear directly at an official shall be assessed a Game Misconduct penalty. Let's remind our officials to not have satellite ears, but the NBIAA is clear they want to clean up the disrespect, and have zero tolerance for swearing.

Any 10min Misconduct issued after the game shall result in a 1 game suspension.

Also, they would like our help in reminding the players that their helmets are to remain on after the game till they leave the ice surface.

Thanks,

Brad Jenkins

NBHOA Technical Director
