NBHOA Directive

To: Zone Chairman/Referee in Chiefs, Minor Association Referee in Chiefs and ALL NBHOA Officials

Re: NBHOA and Hockey Canada crests in non-sanctioned hockey

If you are officiating **Non-Sanctioned** hockey, you must **remove** your NBHOA **and** Hockey Canada crests.

Non-sanctioned hockey is any league/team that is not registered through Hockey New Brunswick (HNB) and Hockey Canada (HC). This would include most spring hockey leagues, any adult hockey falling under CARHA and certain senior leagues. These leagues are not governed by HNB or HC and therefore your insurance is void in any of these leagues as you are no longer representing HNB/NBHOA/HC.

Local Referee in Chiefs please see that this directive is followed by your officials in your respective arenas.

Thanks in advance for your cooperation,

Brad Jenkins

Technical Director
